Diagram illustrating the layout of a website header and navigation area. The layout is defined by two diagonal lines forming a large frame. At the top left is the 'WEBSITE NAME' box, and below it is the 'WEBSITE TAGLINE' box. To the right of these is the 'Background Photo' area. Below the tagline is a horizontal navigation bar with links: 'Home', 'Page 2', 'Page 3', 'Page 4', 'Page 5', and 'Page 6'. At the bottom left are four gray circles representing 'Social Media Icons'. Lines connect the 'WEBSITE NAME' box to the top-left corner, the 'WEBSITE TAGLINE' box to the top-right corner, and the 'Page 4' link to the first social media icon.
