## I. Introduction

### a. Website Name

Flawless Findings

### b. Model/Version Number

\*\*Flawless Findings - Version 1.0\*\*

Our inaugural release, Flawless Findings Version 1.0, represents the first step in our commitment to providing you with the best skincare insights. This version introduces a user-friendly interface, unbiased reviews, and comprehensive product information to guide you through the world of skincare. We're excited to embark on this journey with you, continually refining and enhancing our platform to meet your evolving skincare needs. Welcome to the future of informed and empowered skincare choices with Flawless Findings Version 1.0!

### c. Intended Use

Flawless Findings is a skincare product review website designed to assist users in making informed decisions about skincare products. The primary purpose of the website is to provide:

- Unbiased Reviews: Honest and impartial evaluations of various skincare products.
- Comprehensive Information: Detailed insights into product brand, category, and price.
- User-Friendly Interface: A seamless and intuitive platform for easy navigation and exploration.
- Community Engagement: A space for users to connect, share experiences, and seek advice from fellow skincare enthusiasts.

## Getting Started

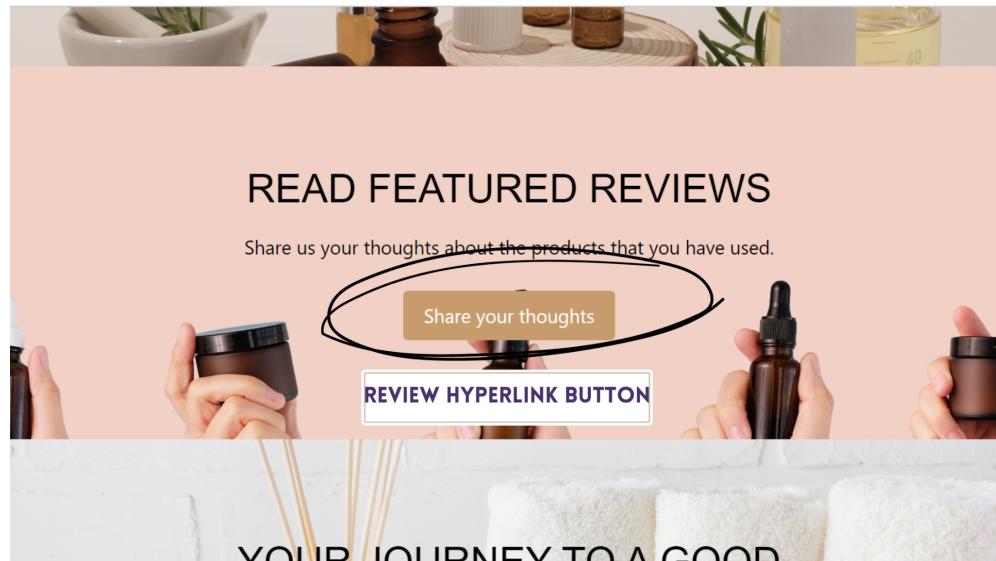

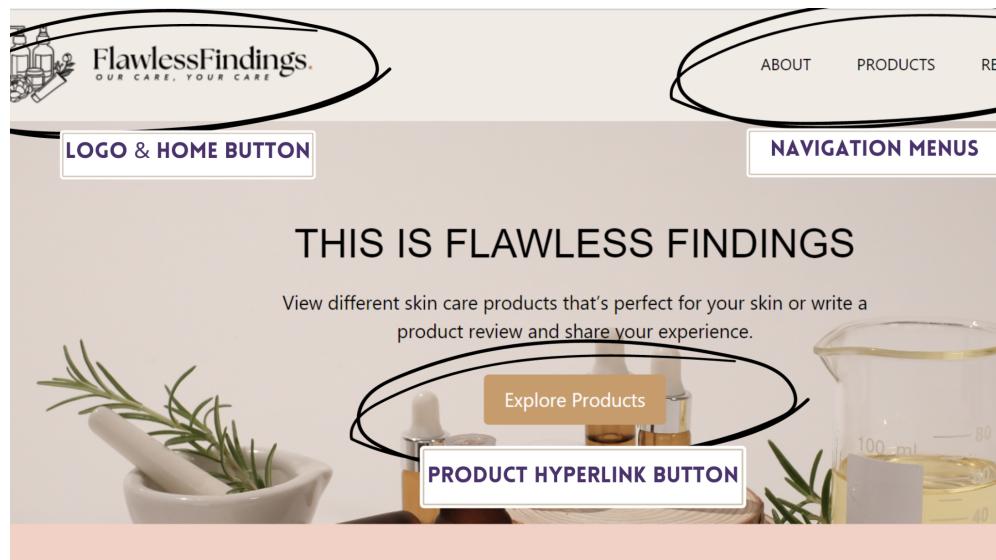

To maximize your experience on Flawless Findings, explore our reviews, product information, and engage with our community. Whether you're a skincare novice or an enthusiast, our platform is designed to empower your skincare journey.

## II. HOMEPAGE

### a. Purpose

The purpose of the Flawless Findings home page is to help visitors easily find the information they are looking for. The navigation elements are organized in a clear and logical way, making it easy for visitors to browse the website and find the products and reviews they are interested in.

### b. Features

### c. Navigation

- To go to the Products page, click the 'Explore Products' button.
- To go to the Review page, click the 'Share your thoughts' button

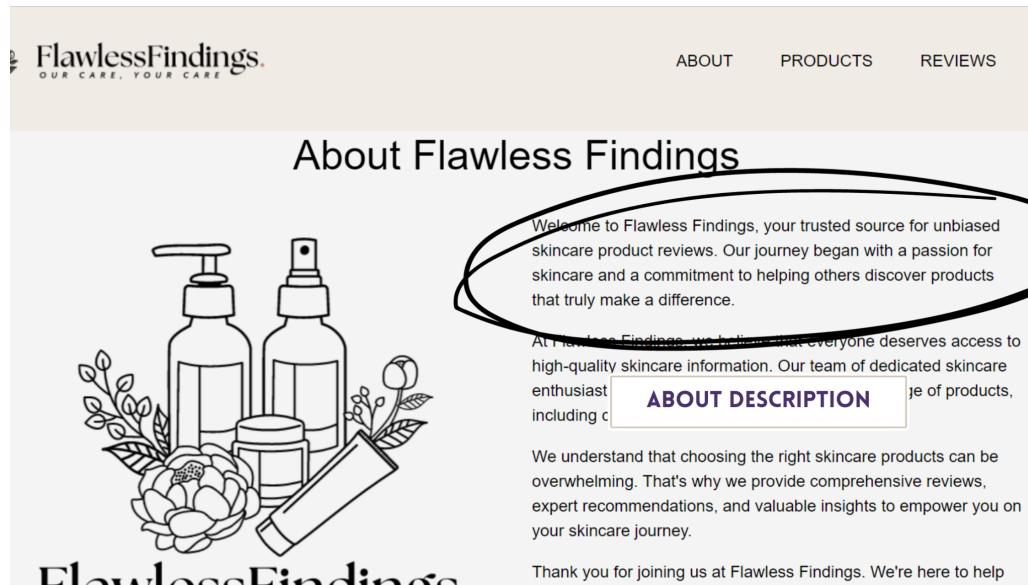

- To go back to Homepage, click the Logo.

### III. ABOUT

#### a. Purpose

The purpose of the Flawless Findings about page is to introduce the brand and its mission, and to highlight the team's expertise and passion for skincare.

#### b. Features

### IV. PRODUCTS

#### a. Purpose

The Flawless Findings website product page is designed to assist customers in finding the ideal skincare products that match their individual requirements and tastes. It provides a filter option that enables users to refine their search based on various criteria, such as brand, product category, and skin type, to quickly identify the products that best suit them.

## b. Features

The screenshot shows a grid of skincare products. At the top left, there's a dropdown menu labeled 'All Products' with a 'Filter' button, circled in black. Below it is a section titled 'Gentle Skin' with a 'FILTER OPTION' button. The products listed are:

- Cetaphil Daily Skin Cream**: A white bottle with blue cap.
- The Ordinary Niacinamide 10% + Zinc 1%**: A white dropper bottle.
- Celeteque Hydrating Facial Moisturizer**: A white tube with blue cap.
- Kin Sapien Face Cream**: A white tube with blue cap.
- COSRX Cleanser**: A white tube with blue cap.
- Maxipeel Face Clear**: A white tube with pink cap.
- Skin SAPENS face cream**: A white tube with blue cap.
- Maxipeel Face Clear**: A white tube with pink cap.
- Kojie San Facial Toner**: A small blue bottle.
- Gluta C Whitening Toner**: A small orange bottle.
- Luxe Organix White Foam Cleanser**: A white tube with silver cap.

A callout box labeled 'PRODUCT DETAILS' points to the 'COSRX Cleanser' card, which contains the following information:  
Brand: COSRX  
Category: Cleanser  
Price: Php250

A callout box labeled 'PRODUCT IMAGE' points to the image of the 'COSRX Cleanser' product.

## c. Navigation

- To Filter, click the dropdown menu and change 'All Products' to other category like 'Moisturizers', 'Cleansers', 'Toners', etc.
- To view a product, click the image.

## d. Product Details

All Product details are stored in a Nosql database - MongoDB. The images and details are gathered from official sources like Watsons PH, Luxe Organix, Kojie-san, etc.

## V. REVIEWS

### a. Purpose

Customers can share their experiences with the company's goods and services on the reviews area of the Flawless Findings website. This information is valuable to the brand as well as other prospective clients.

### b. Features

The screenshot shows the FlawlessFindings website with a navigation bar at the top featuring links for ABOUT, FEATURED, PRODUCTS, and REVIEWS. The main content area is titled "Review Form". Inside the form, there are fields for Nickname, Email, Product Name, and Comment. Below the comment section, there is another Comment field and a Rating (1-5) field. At the bottom of the form is a large brown "Submit" button, which is highlighted by a brown arrow pointing to it from the word "SUBMIT BUTTON" below it. The footer contains sections for "About Us" and "Quick Links" with links to About, Products, Reviews, and Contact.
